

Custom Crown

Price Breakdown:

- Metal used + Stone(s) + Time + Shipping

Wire Type:

- Pure Copper - \$15.50
 - This material will patina over time, giving it more of an earthy look. It can run the risk of giving skin a green tone, especially if wet.

Stone Type:

- There are a variety of stones available to choose from. The photos in this guide will give you a general idea of what's available. Once you select the stone types you're interested in, I will send over confirmation that there are plenty of stones to fulfill the order.
- Each crystal option is numbered below with a photo showing general shapes available along with the price PER Slice of crystal piece. (example crown takes 13 slices per row... #1 13 pieces x \$1 = \$13)

Time:

- Time is charged on an hourly rate depending on how long the crystal crown takes to make. Final price will be given when the item is completed, a ballpark number can be given at the time of order but does not set that number in stone.
- I charge \$45 per hour (ex 3 hours to make an item would be $3 \times 45 = \$90$ for time)

Shipping:

- \$10 for shipping for one item; this includes information on your item and crystals included in it.

Payment:

- A \$50 deposit is required at the time of placing your order. This holds your spot on my custom order list and guarantees you an item. This \$50 is deducted from the final cost of the item's price but is not returned if the order is abandoned.
- Payments are made through Etsy. I will create the final listing when the item is completed and approved by the customer.
- Etsy offers payment plan options as do I if you are not approved for their payment plan.
- All items must be paid for within a month of completion/approval or it will be listed in my shop for sale to others. No item will be held beyond a month.
